

ROGERS EDGE Monday Evening Summer Skills!

Youth Hockey Players, Parents & Coaches,

Rogers Edge is pleased to announce a twelve week series of summer skills sessions (First session June 3rd) to be held at Tri-Town Ice Arena.

Workouts will be focused on stick handling, passing, shooting with the main focus being skating. It isn't a well kept secret that most of the best player in the game happen to be the best skaters. Given this fact we choose to emphasize this area of instruction to maximize a players ability and help each reach their full potential.

Matt Rogers himself will lead these sessions and there will be multiple additional instructors assisting. We strive to provide each player high levels of individual instruction so keeping a low player to instructor ratio is key. Repetition and touches also benefit from this magnifying each individuals skill advancement.
